

2024 Fact Sheet

Vital Statistics

As of June 30, 2023

Commitment to Quality and Population Health

We are transforming health care by focusing on preventive care, managing chronic conditions, care coordination and targeted disease intervention. This focus will help reduce costs for patients and improve health and health care equity in the communities we serve.

Community Engagement

Our physicians, APPs, staff and leaders actively participate in a variety of programs and events for local non-profit organizations and area schools. In fiscal year 2022, our health network provided more than \$312 million to improve the health and well-being of the communities we serve.

Vision

We will be the trusted leader by transforming health care and connecting communities to the best of academic medicine.

Mission

We advance the health of the people of the diverse communities we serve through exceptional care enhanced by innovation and discovery.

Values

Value People. We treat others with respect, knowing that their feelings, thoughts and experiences are as important as our own.

Work Together. We collaborate across the enterprise to put forward our best.

Act Now. We take action to solve problems and move forward quickly.

Own It. We take full accountability for our decisions, actions and results.

Break Through. We change the future of care with creativity and innovation.

Deliver Excellence. We set the standard that others aspire to by always asking “What more can we do?”

Who We Are

Froedtert & the Medical College of Wisconsin Community Physicians is a primary care and multi-specialty clinical practice group that operates 37 health centers and clinics in more than 20 communities across Kenosha, Milwaukee, Ozaukee, Racine, Washington, Manitowoc, Sheboygan and Waukesha counties. It is part of the Froedtert & MCW health network, which includes 10 hospital locations, more than 2,500 physicians and more than 45 health centers and clinics, draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits were more than 1.6 million, inpatient admissions to our hospitals exceeded 57,500 and visits to our network physicians totaled more than 1.28 million.

Froedtert & MCW Community Physicians is built on the existing partnership between southeastern Wisconsin's only academic medical center and our community clinics and hospitals. Our unique academic and community partnership allows us to provide the most appropriate and comprehensive care to all our patients.

Patients have convenient access to physicians in communities close to their home or workplace, along with access to highly specialized care and clinical trials at our academic medical center.

Our health centers and clinics are staffed by Froedtert & the Medical College of Wisconsin Community Physicians. They include more than 260 primary care and specialty care physicians serving patients at more than 30 locations in southeastern Wisconsin. Our primary care providers practice internal medicine, family medicine, pediatrics and obstetrics/gynecology, offering online scheduling, video visits, same-day appointments, FastCare® and urgent care facilities so patients have convenient options. Our specialists work closely with primary care providers and our community hospitals to coordinate care across the network.

Awards and Recognition

Top Cancer Program

The Froedtert & MCW Cancer Network — including locations at Moorland Reserve Health Center and Drexel Town Square Health Center — is a 2022 Press Ganey Guardian of Excellence Award winner. This award honors organizations that have reached the 95th percentile for patient experience, engagement or clinical quality performance. This marks the fifth consecutive year the Cancer Network has been recognized with this honor.

National Standard for Diabetes Self-Management Education

Our North Hills Health Center and Town Hall Health Center in Menomonee Falls and our West Bend Health Center have been recognized by the American Diabetes Association for meeting the National Standard for Diabetes Self-Management Education.

Best Place to Work for Disability Inclusion

Froedtert Health was named a Best Place to Work for Disability Inclusion, earning a top score on the 2023 Disability Equality Index® (DEI) for outstanding commitment to disability inclusion practices. The DEI assessment measures an organization's culture and leadership, accessibility, employment practices (including benefits, education and accommodations), community engagement and supplier diversity.

Top 10 Diversity Action Award Winner

Froedtert Health earned a 2022 Diversity Impact Awards™ Top 10 Diversity Action Award from the Global ERG Network. The network recognized our Diversity Council for its leading role in the organization's robust supplier diversity strategy.
